The County, in regard to the County's relationship with the State only, assumes full responsibility for the design, plans, specifications, reports, the engineering in connection therewith and the construction of the improvements contemplated, cost over-runs and construction claims. Such assumption of the responsibility by the County for the benefit of the State in no way acts as a waiver by the County for the benefit of the railroad company or any responsibility the railroad company has in the design, plans, specifications, reports, the engineering in connection

therewith and the construction of the improvements contemplated, cost overruns and construction claims. It is understood and agreed that the State's participation is confined solely to securing federal aid; that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the County and that the County hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the County, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, expenses of litigation and attorneys' fees.

2. Therefore, in the event that funds to match federal funds are not made available by the Corporation Commission, the County agrees to furnish and provide the State with County funds in an amount equal to the difference between the total cost of the work provided for in this agreement and the amount of federal aid received.

3. This agreement shall remain in force and effect until completion of the work herein embraced; provided, however, that any provisions in this agreement for maintenance shall be perpetual, unless assumed by another governmental entity.

4. This agreement shall become effective upon filing with the Secretary of State.

5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.
